

Parts of the Podcast Show

Music Intro: Create your music or use podsafes or royalty free music.

Program Intro: Give the introduction of the show and show information here.

1. Name of the podcast
2. Date and number of the episode
3. Location of podcast
4. Name of the host of the podcast (use only your first name or your stage name)

Program Overview or Teaser: Give a brief overview of what the show is about and who is on the show. Get the audience interested and keep them with the teaser.

Show: Record your actual content (introduction to poet, read poem, brief analysis using 3 of the TP-CASTT areas). Keep in mind what is the assigned length of your podcast (6 to 7 minutes) and who your audience is going to be (your teacher, your classmates, your parents, your grandparents).

Closing: Recap the show and give information on resources and future shows. If you used music that needs to be credited, give that credit here as well.
